# DESCRIPTION

Custom Drum Pendant Light with Flex Cord Suspension Style with Optional Aircraft Cable.

## SPECIFICATION FEATURES

#### MATERIAL / MOUNTING

Cold-rolled steel frame wire body. Matte white acrylic bottom diffuser (Optional).

#### **SHADES**

Solid cold-rolled steel construction. Material on heavy translucent white styrene with your choice of the covering's opacity.

#### **FINISH**

Standard: White (WHI)

Premium: Nickel (NIC), Brass (BRA), Black (BLA), Ivory (IVO), Oil-Rubbed Bronze (ORB)

#### **ACRYLIC DIFFUSER**

Our standard acrylic is 7328 White with a thickness of 0.118. Custom colors are available but may impact extended lead time and standard price.

#### **LIGHTING**

Standard socket available in multiple configurations. Works with incandescent or LED bulbs.

#### **INSTALLATION**

Easy-to-install universal swivel socket to attach to standard 4" junction box. 120V power.

Cleaning Recommendation: Use a soft cloth brush or a vacuum brush to dust the outside of the lamp shade and a clean soft white flannel cloth for the inside of the lampshade.

#### **OPTIONS**

Contact factory for NFP701 Fire Resistant or Stain Guard Fabric coating.

#### **USAGE**

Approved for interior locations only.

### **MODIFICATIONS**

Maratodd's skilled craftspeople, with their depth of experience, offer the designer the flexibility to modify standard luminaries for project-specific solutions. Contact the factory regarding scale options, unique finishes, mounting, additional materials/colors or decorative detailing.

# ORDERING INFORMATION

Please fill in all **gold highlighted** areas for complete specification. Pre-selected values in black may also be modified, if required.
